GDG ON CAMPUS OAU

Sponsorship Proposal Deck

Investing in Africa's Next Generation of Quantum Pioneers

November 27th & 28th, 2026 • Opolo Innovation Hub, OAU

X IG in @gdgoau | oaudsc@gmail.com

About QFF OAU 2026

Building Africa's Quantum Pioneers

A high-impact 2-day summit transitioning students from theoretical physics into live cloud quantum computing.

1

Quantum SDKs & Qiskit

Hands-on circuit construction, superposition, and cloud execution on real IBM Quantum QPUs.

2

Mathematical Rigor

Bedrock foundations in linear algebra, Hilbert space, state vectors, and quantum entanglement.

3

Code Jams & Challenges

Intensive live algorithmic sprints awarding cash prizes to top student problem solvers.

4

Secondary STEM Outreach

Inviting 40 secondary students across 5 local schools in Ile-Ife.

✦ **Advancing Great Ife students to the frontier of computation and research fellowships.**

Direct Impact

3-Year Growth

From "First Signal" to National Leadership

Now in its 3rd consecutive edition, Qiskit Fall Fest at OAU is Nigeria's premier campus quantum community.

1

20+ Attendees

2024 · EDITION 1

"First Signal"

Established OAU's quantum student community and had a virtual speaker from Yale University, USA.

2

50+ Attendees

2025 · EDITION 2

"Momentum"

Organized the inaugural secondary school outreach event at Fadehan International College, Ile-Ife.

3

2026 · EDITION 3

"Pushing Limits"

100+ Students

Held at Opolo Hub. Hands-on lab sessions for secondary school and university students. Global Keynote Speakers, etc.

✦ A proven history of sustainable, year-on-year community leadership in quantum science.

Annual Trajectory

Qiskit Fall Fest 2026

#InvestInTalent

Why Support?

Investing in Africa's Future Talents

We are inviting visionary organizations and individuals to directly fund and empower the next generation of Nigerian scientific minds.

Empower 40 High School Prodigies

Directly sponsor 40 top science students from 5 Ile-Ife secondary schools as they write their very first quantum code in Qiskit.

Foster an Authentic Research Culture

Bridge academic theory with practical quantum software, preparing Nigerian undergraduates for top international grad school fellowships.

Reward Academic Excellence

Fund the ₦250,000 cash prize pool awarded to the Top 3 student teams in Saturday's quantum coding challenges.

🌟 **100% of contributions directly support student access, venue power, lab laptops & prizes.**

Direct Impact

Google Developer Groups
OAU · Obafemi Awolowo University

4 2026

Event Schedule & Venue

Opolo Innovation Hub, OAU (Both Days)

A dedicated tech innovation center with uninterrupted power, high-speed fibre internet, and projection facilities.

DAY 1 · FRIDAY, NOV 27

Foundations & Secondary Outreach

10:00 AM — Welcome & Opening Remarks

10:45 AM — Keynote Session from an IBM Employee (Catherine Wanjiru)

11:30 AM — Hands-on Lab Session

01:00 PM — **Refreshment & Networking Break**

01:30 PM — Physics & Math Rudiments (Dr. Fadodun)

02:15 PM — Quantum Career Pathways (Mr. Ini Ukut)

03:00 PM — Wrap-up & Day 1 Certificates

DAY 2 · SATURDAY, NOV 28

For Undergraduates & Advanced Students from OAU & Beyond

Global Keynote, Code Jam & Awards

10:00 AM — Global Keynote: Pushing Limits (Pawel Gora)

11:00 AM — Capacity Building Talk (Favour Alfred)

11:45 AM — Advanced Quantum SDK Session

12:30 PM — **Refreshment & Networking Break**

01:15 PM — Live Quantum Coding Challenges

03:30 PM — Benchmark Judging & Review

04:00 PM — ₦250,000 Awards Ceremony & Finale

📍 **Opolo Innovation Hub, OAU** — Uninterrupted Power • High-Speed Fibre • Full Air-Conditioning • Nov 28 open to OAU & beyond

Mentors & Keynotes

World-Class Scientific Mentorship

Connecting students directly with global quantum pioneers, IBM engineering talent, and academic leaders.

Pawel Gora

KEYNOTE

Founder & CEO, Quantum AI Foundation · Board Member, QWorld

"Pushing Beyond the Limits in Quantum Computing"

Exposing students to frontier applications where early researchers can innovate and stand out.

Catherine Wanjiru

IBM KEYNOTE

Software Engineer, IBM · Quantum Technical Contributor

"Keynote: Getting Started in Quantum with IBM"

Inspiring young African innovators with real-world developer tools and cloud quantum execution.

Favour Alfred

African Quantum Consortium

"Quantum Education"

Fostering university research culture, grad school applications, and startups.

Mr. Ini Ukut

Head, QNigeria

"Career Paths"

Navigating emerging opportunities across algorithm development and advocacy.

Dr. Fadodun

Dept of Physics, OAU

"Physics & Math"

Explaining mathematical foundations and quantum mechanics to launch sessions.

✦ **Supported by Challenge Architects Ovie Ohwoka & Adesina Lekan for Saturday's coding competition.**

`Academic Rigor`

Grassroots Outreach

Secondary School Quantum Lab

Igniting ambition early: hosting 40 selected high school prodigies from 5 schools in Ile-Ife for an intensive hands-on lab.

🏫

40 Students · 5 Schools

Inviting 40 top science students and STEM teachers from across 5 secondary schools in Ile-Ife.

💻

10 Dedicated Laptops

Provided on-site so students write and run real Qiskit code directly rather than passively listening.

The Core Milestone: Building a Bell State in Qiskit

By the end of the lab, every high school student will have personally created, entangled, and measured their own quantum Bell state:

$$|\Phi^+\rangle = (|00\rangle + |11\rangle) / \sqrt{2}$$

✦ **Providing youth with early access to emerging technologies that redefine their career vision.**

Youth STEM

Transparent Event Budget

100% Direct Student Benefit

Every single Naira is deployed directly to attendee hospitality, venue infrastructure, and student merit cash awards.

Line Item & Operational Scope	Amount (NGN)	Est. USD
Refreshments (Both Days) Hospitality for university and secondary school attendees	₦220,000	$150
Venue Hire (Opolo Innovation Hub) Dedicated 2-day hall reservation, air conditioning, continuous power	₦130,000	$88
Code Jam Merit Cash Prize Pool Merit cash awards presented to the Top 3 student problem solvers	₦250,000	$170
Prints & Event Publicity Main stage backdrop banner, directional signs & student participation certs	₦40,000	$27
Dedicated High-Speed Internet Low-latency connection for cloud Qiskit simulations & global keynote stream	₦15,000	$10
Miscellanies & Contingency Power adapters, cabling, logistics & emergency reserves	₦50,000	$34
GRAND TOTAL FESTIVAL BUDGET	₦705,000	~$480 USD

✦ **Complete Financial Stewardship:** 100% of sponsorship is directly allocated to student hospitality, venue, and merit cash awards.

Patron Contribution Tiers

3 Clear Partnership Tiers

Choose a tier that aligns with your philanthropic vision to underwrite this historic gathering.

TITLE PATRON

🌟 Grand Festival Patron

- ✓ Underwrites 100% of Festival
- ✓ Headline Logo on Stage Backdrop (Both Days)
- ✓ "Supported by" on All Flyers & Website
- ✓ Dedicated Social Media Spotlight

₦705,000

~$480 USD · Full Event Underwriter

VENUE & HOSPITALITY

🚀 Quantum Pioneer Patron

- ✓ Underwrites Venue & Refreshments
- ✓ Prominent Logo on Stage Backdrop
- ✓ Featured Logo on Digital Flyers
- ✓ Verbal Stage Recognition

₦350,000

~$240 USD · Venue & Hospitality Partner

STUDENT MERIT AWARDS

🌱 Next-Gen Talent Patron

- ✓ Underwrites ₦250,000 Prize Pool
- ✓ Acknowledgment on Official Website
- ✓ Name on Event Flyer Footer
- ✓ Code Jam Award Presenter

₦250,000

~$170 USD · 100% Student Prize Sponsor
